Description

The UCDP, Uppsala Conflict Data Program, contains information on a large number of data on organised violence, armed violence, and peacemaking. There is information from 1946 up to today, and the datasets are updated continuously. The data can be downloaded for free.

The UCDP One-side Violence Dataset is an actor-year dataset with information of one-sided violence on civilians by governments and formally organized armed groups, which results in at least 25 deaths. The dataset covering 1989-2013.

Purpose:

The Uppsala Conflict Data Program (UCDP) collects information on a large number of aspects of armed violence since 1946.

Data contains personal data
