Research principal

[Stockholm University](#) - Department of Linguistics

Description

The corpus project lasted for three years, 2009-2011. Between June 2009 and March 2011, recordings were made with 42 informants aged 20 to 82 years old from different regions in the country. The recordings contain a variety of free conversations and stories, plus retellings of "Var är du, grodan?" and "Snögubben", some slide shows and comedies.

(The resource contains personal data in the form of filmed individuals. All participants have consented the films being made available to the public domain).

24 hours of video with 42 speakers. Around 70 of a total of 300 files have been edited and glossed and in some cases translated into Swedish. Dialogue and monologue (tales).
