## Alternative title

GAIS-projektet 1973-1974

## Creator/Principal investigator(s)

Göran Patriksson - Göteborg School of Education, Department of Education

Bert Aggestedt - Göteborg School of Education, Department of Education

Ulla Tebelius - Göteborg School of Education, Department of Education

## Research principal

[University of Gothenburg](#) - Department of Education

## Description

In 1972, the GAIS project, Gymnastics activities in school, was launched at the Institute of Education in Gothenburg. The project was the working title. The aim was to study primary student's motoric conditions, interest and knowledge of sports in relation to their perception of gymnastics teaching and also impact from family, colleagues and the local community.
