## Description

On the request of the radio committee an investigation was made during the autumn of 1975 and the spring of 1976 of the Broadcasting Corporation's reporting about the events in Portugal in the spring of 1975. The aim was to get a basis for a judgment whether the reporting was in accordance with the agreement between the Corporation and the state regarding the demand for matter-of-factness and impartiality.

## Data contains personal data

No
