## Research principal

[Lund University](#) - Department of Political Science

## Description

This study was conducted in connection with the 1988 election. The mail questionnaire was directed toward the leaders of the political parties local election campaign within a sample of 50 municipalities and three big cities, Stockholm, Göteborg and Malmö. The questions dealt above all with the local organization of the political parties, activities and attitudes and also with election campaigns, election results etc.

## Data contains personal data
