Description

This is the fourth study in the collection of Student-SOM surveys. The aim of these studies is to shed light on opinions and habits of the student generation of today. The questionnaire - mainly a replication of the questionnaire used in Student-SOM 1994 - included questions about study programme, mass media, politics and society, energy, nuclear power and environment, leisure-time activities, and background.

Purpose:

To find out how students feel about their education and the social environment at the University of Gothenburg
