Description

This is the seventeenth election study carried out in Sweden in connection with a Swedish general election. Many of the questions are replications of questions asked in one or several of the previous surveys, but there are also a number of questions not asked before.

Purpose:

Explain why people vote as they do and why an election ends in a particular way. Track and follow trends in the Swedish electoral democracy and make comparisons with other countries.

- 2) ett tilläggsurval om 184 förstagångsväljare (eftersom panelurvalet inte innehåller några unga förstagångsväljare 2010) och
- 3) ett nytt urval om 2 008 personer, som alltså kommer att intervjuas igen i samband med 2014 års riksdagsval.
