

## Welcome to the European Parliament Election Survey 2019

Along with 10 000 other voters, you have been selected to participate in the 29th election survey conducted in Sweden since 1956. The survey results contribute to research on political influence and the democracy in Sweden and the EU. In-depth analyses of the results will continuously be presented on our website. The results are also used in educational materials in schools and at universities.

### This is how you fill in the survey

Most questions are answered by putting a cross in a box . Please use a ballpoint pen, not a pencil nor a felt pen. If you accidentally put a cross in the wrong box, fill the box fully  and then put a new cross in the right box. If you find a question too difficult to answer you may skip it and continue with the next one.

### When you are done

When you have filled in the survey, you put it in the answer envelope and post it. The postage is already paid. If you have lost the answer envelope, you could use the following address: *Enkätenheten, Statistiska centralbyrån, 701 89 ÖREBRO*. As soon as your survey has arrived, we note that you have answered and you will not get any reminders.

## Before we start...

1. **As a thank you for answering the survey, we offer you a reward. The reward is a 50 kr gift-card, which is activated online. Do you want us to send you the reward?**

2. **In order to save your time and not ask more questions than necessary, we have the opportunity to supplement your answers with data already available at Statistics Sweden (SCB). No information can be linked to a separate individual. The information regards place of residence, household composition, marital status, country of birth, education, occupation, income, student loans and deductions. Information on turnout is obtained from public electoral rolls.**

## Welcome to the European Parliament Election Survey 2019

Along with 10 000 other voters, you have been selected to participate in the 29th election survey conducted in Sweden since 1956. The survey results contribute to research on political influence and the democracy in Sweden and the EU. In-depth analyses of the results will continuously be presented on our website. The results are also used in educational materials in schools and at universities.

### This is how you fill in the survey

Most questions are answered by putting a cross in a box ☒. Please use a ballpoint pen, not a pencil nor a felt pen. If you accidentally put a cross in the wrong box, fill the box fully ■ and then put a new cross in the right box. If you find a question too difficult to answer you may skip it and continue with the next one.

### When you are done

When you have filled in the survey, you put it in the answer envelope and post it. The postage is already paid. If you have lost the answer envelope, you could use the following address: *Enkätenheten, Statistiska centralbyrån, 701 89 ÖREBRO*. As soon as your survey has arrived, we note that you have answered and you will not get any reminders.
