The screenshot shows the 'Medarbetarwebben' (Employee Portal) website for Lund University. The main navigation bar includes 'Anställning', 'Stöd och verktyg', 'Forska och utbilda', and 'Organisation och styrning'. The current page is titled 'Skapa datahanteringsplan (DMP) i DMPRoadmap'. The page content includes a sidebar with 'Stöd till forskning' (Research support) and 'Stöd till utbildning' (Education support). The main content area features a heading 'Skapa datahanteringsplan (DMP) i DMPRoadmap' and a sub-heading 'HUR OCH VARFÖR MAN SKA SKAPA EN DATAHANTERINGSPLAN I DMPROADMAP'. The text explains that the system was launched in February 2020 to support researchers in creating data management plans. It also provides information on how to create a plan, including a link to the 'DMP Research' page. The page footer includes contact information for the DMP Roadmap support team and a 'Logga in i DMPRoadmap' button.

DMP Roadmap, Lund University

- Includes two DMP templates:
Swedish Research Council, Lund University
- Guidance and feedback request inside system
- Possible to share DMPs with colleagues at LU
- Possible to export DMPs in Word, PDF, etc
- DMPs not public at this point

The screenshot shows the 'roadmap' web application interface. The browser address bar displays the URL: https://dmp.research.lu.se/plans/66/edit?phase_id=34. The application header includes the 'roadmap' logo, a 'My Dashboard' button, and navigation links for 'Create plans', 'Reference', and 'Help'. Below the header, there are user profile icons for 'Lund University' and 'Lund universitet', along with a 'LU Servicedesk' email icon. The main content area is titled 'Test plan: Language learning i Swedish schools'. It features a navigation bar with tabs for 'Project Details', 'Plan overview', 'Write Plan', 'Share', and 'Download'. Below the navigation bar, there is a status indicator '18/18 answered' and a list of six sections, each with a plus sign for expansion:

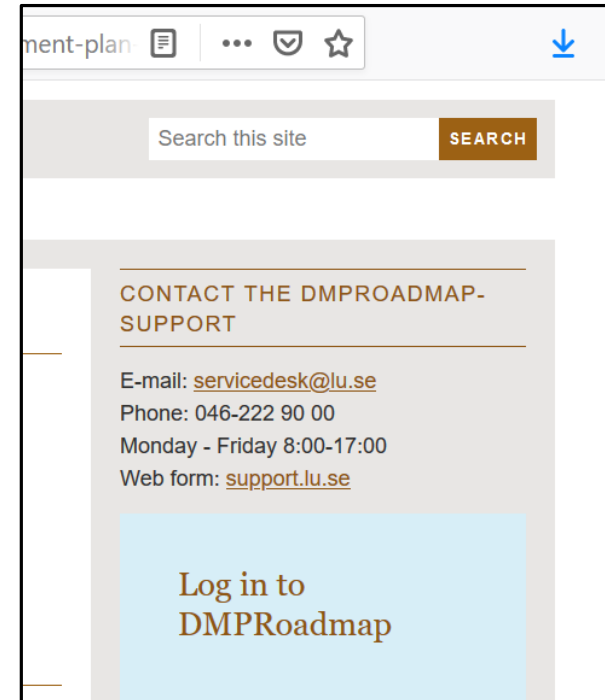

1. Beskrivning av data (4 / 4)
2. Dokumentation och datakvalitet (2 / 2)
3. Lagring och säkerhetskopiering (2 / 2)
4. Rättsliga och etiska aspekter (4 / 4)
5. Tillgängliggörande och långtidsbevarande (4 / 4)
6. Ansvar och resurser (2 / 2)

Plans for the close future

- Promotion and demos autumn 2020
- Monitor local DMP production through statistics
- Monitor the national project for DMP, co-ordinated by Swedish Research Council

Researchers at Lund University should learn about DMP and know how to create a basic DMP!
