

ELECTION STUDY 2002  
MAIL QUESTIONNAIRE

TO OUR INTERVIEWEES

Thanks to your, and many others', kind co-operation we have been able to conduct an interview survey in connection with this year's election. We hope that the survey will bring valuable and reliable results.

Our survey is concluded with this mail questionnaire. Among other things it contains some questions, which we for practical reasons were unable to include in the interviews made before the election.

We would be very grateful if you would answer the questions and then return the questionnaire in the enclosed envelope. The address is printed on the envelope and no stamp is needed. Please post the envelope as soon as possible, preferably already today or tomorrow.

Your answers will be treated anonymously. No outsider will be able to find out your individual answers. The answers will be used for statistical processing and only be published as percentages in tables. These tables will never reveal the answers of any individual person.

Yours faithfully
